OUR COMPLAINT SERVICE

WFRGent acknowledges the receipt of the complaint to the complainant within 2 weeks of receiving the complaint in written. A board of colleagues and managers investigates the complaint and decides on the appropriate actions. The complainant would be informed of the proposed actions.

It may take time to resolve the complaint or to complete the proposed actions. Yet WFRGent is committed to inform the complainant soon after the defined actions are finalized. Should these actions need more than 6 months to get completed, WFRGent will contact the complainant, informing them of the state of the corresponding progress.

Note 1: WFRGent ensures that the person(s) assigned to communicate the complainant or to approve the outcomes of corresponding corrective actions will be independent of any activity causing the complaint.

Note 2: WFRGent ensures that all complaints will be treated confidentially, in accordance with its impartiality and confidentiality policies.
