# Accredited Laboratory

A2LA has accredited

**ELEMENT MATERIALS**

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 3<sup>rd</sup> day of May 2023.

For the tests to which this accreditation applies, please refer to the laboratory's Chemical Scope of Accreditation.
