Bodycode Testing Mexico

MSRR9920, MSRR9922, MSRR9969, CME5021 (ASTM E8, E21, E139, E29, E18).

This approval is granted by Automotive Aftermarket Inc. ("AAI") in accordance with the general requirements of Rolls-Royce Canada Limited, as specified in the AAI Quality System Approval. This approval is only valid if you have obtained Quality Systems Approval from an appropriate international body recognized under ISO 9001 maintenance. Your obligation is sworn to give effect for you to notify Rolls-Royce Canada Limited of management changes and organizational changes and any change of status of your Quality Systems Approval, in accordance with RR90001-APAR. Approvals are granted and dependent upon the agreed standards being maintained by you and may be revoked at any time by Rolls-Royce Canada Limited, without notice or liability. Nothing in this approval shall prejudice any rights or remedies which Rolls-Royce Canada Limited may have in the future in respect of goods which fail to meet contract requirements.
