

ELEMENT MATERIALS TECHNOLOGY

TERMS AND CONDITIONS (US)

1. Formation of Contract

1.1 **Terms and Conditions** shall apply to all contracts for the supply of testing, calibration and/or other services carried out by Element Materials Technology Oakland, Concord, CA, including but not limited to those contemplated therein to the customer.

1.2 These Terms and Conditions shall supersede and override any terms or conditions contained in or referred to in the Customer's quotation or acceptance of a quotation or specification and shall prevail over any inconsistent terms or implied by law (unless the law in question cannot be excluded), trade, custom, practice or course of dealing, including but not limited to those particular terms and conditions.

company of that party, and any subsidiary of a holding company of that party.

3.7

- 8.8.1 death or personal injury to the extent resulting from the negligence; or
- 8.8.2 liability incurred by the Customer to the extent resulting from fraud or fraudulent misrepresentation by the Company; or
- 8.8.3 any other matter which may not be limited or excluded by law to the extent arising out of the errors or omissions of Company.

8.9 This condition 8 shall survive termination of the Contract.

9. Intellectual Property Rights

9.1 In this condition 9, the following definitions apply:

Intellectual Property Rights: all patents, rights to inventions, utility models, copyright and related rights, trademarks, service marks, trade, business and domain names, rights in trade dress or get-up, rights in goodwill or to sue for passing off, unfair competition rights, rights in designs, rights in computer software, database rights, topography rights, moral rights, rights in confidential information (including know-how and trade secrets) and any other intellectual property rights (now existing or hereafter created), in each case whether registered or unregistered and including all applications for and renewals or extensions of such rights, and all similar or equivalent rights or forms of protection in any part of the world;

9.2 All Intellectual Property Rights (including copyright in records, scientific documentary, primary data or electronic means of handling data) produced during any Service shall belong to and remain the property of the Company unless otherwise specified in the Contract.

9.3 Ownership and copyright in the Report shall remain with the Company. Upon the Customer discharging all its obligations under the Contract, including payment of the Consideration, the Customer will obtain an irrevocable, royalty-free, non-exclusive license to use the Report (including the right to sub-license), subject to the terms of sub-condition 9.2 and this sub-condition 9.3.

9.4 All Intellectual Property Rights in all service mark(s), trademark(s), certification mark(s) and other names and logos owned by the Company shall remain the property of the Company and cannot be sold or licensed by the Customer.

9.5 ~~When the Service is terminated, the Customer shall not be entitled to use the Report or any other material created by the Company for the purposes of the Service.~~

12.3 If any aspect or element of the Services (including any Sample) is, or is likely to

22.2.4 it is information which subsequently becomes public knowledge other than by breach of the Contract by the Recipient.

22.3 In the event of an information request being made to a Recipient pursuant to any applicable freedom of information laws in respect of any Confidential Information then the Recipient shall notify the Disclosing Party and shall not disclose any information until an analysis has been made as to whether the information requested is capable of benefiting from an exemption from disclosure.

22.4 The obligations of the parties under this condition 22 shall continue to apply without limit of time.

23. Export Control License

For the purposes of this condition 23, ~~Export Control License~~ mean any public or governmental license, approval, permit or similar (whether temporary or permanent), issued directly or indirectly, by any United States or foreign authority which, from time to time, it is necessary to obtain in order to be entitled to market, import, export, or re-export products and/or provision of services, and/or transfer of technology and/or Intellectual Property Rights including without limitation, the U.S. Export Administration Regulations, and the U.S. International Traffic in Arms Regulations.

23.1 The Company and the Customer shall be subject to Export Control Licenses. If any such Export Control License requires signed end user certificates or any other United States or foreign governmental or court approvals or consents, the parties agree to assist each other in completing the relevant end user certificates or other such approvals or consents and the Customer undertakes to conform to and apply the terms of such, end user certificates, Export Control Licenses or restrictions.

23.2 The Customer represents and warrants that it shall inform the Company in writing, prior to the Company carrying out
